

Every Country's Dancing and Picnic

**Saturday 12 June 2010, 2pm to 5.30pm
(registration 1.45pm)**

at Smitham Primary School, Portnalls Road, Coulsdon CR5 3DE

Summer is here, and Croydon Schools' Dance Association is holding their annual multicultural dance festival, Every Country's Dancing, again this year.

This event is open to children from years 3 to 6 and costs £3. During the afternoon, the dancers will attend three workshops and learn a short dance sequence in three multicultural dance styles: Afro-Caribbean, Scottish Country dance and Latin American dance.

Don't worry if the children don't know anything of these dances; they will be taught on the day.

As well as learning some new dances and mixing with children from other schools, we would like the children to bring a picnic tea (we will supply squash and water), to eat after they have learnt the dances and before showing their parents what they have learnt at the end of the afternoon (from about 4.45pm). Dancers should wear clothes and shoes that are comfortable for dancing.

This is a fun activity that boys and girls can enjoy. Let's hope we have fine weather so that we can dance and picnic outside.

If your child would like to attend this fun afternoon, please fill in the form below and return it with the £3 payment to Vix Kerley as soon as possible. Cheques should be payable to CSDA.
